

Our **Computer Repairs** service covers **Kirriemuir** and the surrounding areas and includes our professional diagnostic service which features a complete diagnosis of the problem and any solutions to resolve your issues. We can get your PC back up and running fast and efficiently so you can get on with your life and make the most of your computer.

Common issues :

- Is your computer running slow, or getting slower?
- Are you having blue screen crashes or random shut downs?
- Does your computer have trouble starting up?

- [Home Visit](#)
- [Workshop Repair](#)
- [Remote Support](#)

Our diagnostic services include the following :

We can get your PC back up and running fast and efficiently so you can get on with your life and make the most of your computer and laptop system. Our diagnostic service contains a complete diagnosis of any issues and faults.

We give your system a comprehensive checkover. We find the cause of crashes, lockups, unusual slowness, blue screens, error messages, missing files or internet problems.

Once you have a full report on any issues, one of our technicians will advise on the best way forward to resolving any issues found and make sure your computer system will be running fast, securely & efficiently.
